

Download the *Cancer Survivorship Connection* App!

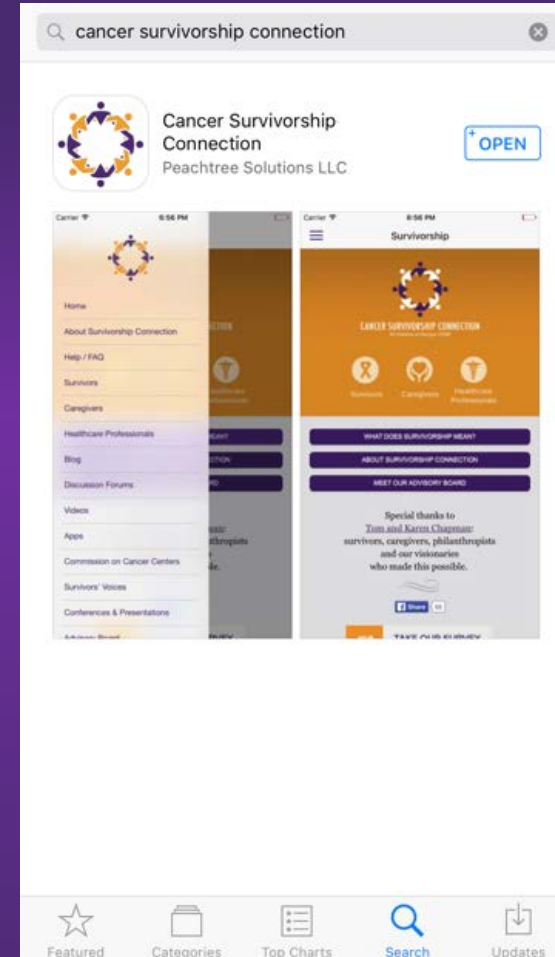

The Cancer Survivorship Connection is an initiative of Georgia CORE that offers a space for cancer survivors, caregivers, and healthcare professionals to access information, resources, and tools to improve the quality of life for cancer survivors in Georgia.

The screenshot shows the app's listing on the Google Play Store. At the top left is the app's logo, a circular arrangement of stylized human figures in orange and purple. To the right of the logo, the text reads "Cancer Survivorship Connection" followed by "Peachtree Solutions LLC Health & Fitness" and "Everyone" as the age rating. Below this is a green "Install" button and a grey "Add to Wishlist" button. Three preview images are shown below: the first is the app's home screen with a menu and buttons; the second is a sidebar menu with options like "Home", "About Survivorship Connection", "Help / FAQ", "Survivors", "Caregivers", "Healthcare Professionals", "Blog", and "Discussion Forums"; the third is a news article titled "What does Survivorship mean?" with a photo of a man and woman.

The Cancer Survivorship Connection is an Initiative of Georgia CORE that offers a space for cancer survivors, caregivers, and healthcare professionals to access information, resources, and tools to improve the quality of life for cancer survivors here in Georgia.
